

# SEVEN STEPS TO SUCCESS

*with Pastor Mike Kai*

## **1. Make a commitment to grow daily**

Put yourself on a Personal Growth Plan (PGP):  
Bible Reading, Reading a book in your area of growth, Podcast,  
Journaling, Prayer

## **2. Plan your daily priorities**

What are your 5 big rocks? The non-negotiables.

## **3. Value the journey more than the events**

What lessons have I learn about MYSELF along the way?

- Did I grow my emotional intelligence?
- What did I personally profit from?
- What challenges did I grow from?

Negotiate and Navigate: Looking for the best route possible, and anticipating road blocks along the way without getting disoriented.

## **4. Don't wait for Inspiration — Get Yourself Inspired**

Habits over Inspiration

## **5. Be willing to sacrifice pleasure for opportunity**

Delayed Gratification: Give up to go up.

## **6. Dream bigger**

## **7. Realize the Power of Association**

NO EYE HAS SEEN,  
NO EAR HAS  
HEARD, AND  
NO MIND HAS  
IMAGINED WHAT  
GOD HAS  
PREPARED FOR  
THOSE WHO  
LOVE HIM.

# BUILDING A GOD-SIZED VISION

*with Jedidiah Thurner*

## **1. Is this a God-idea or just a good idea?**

- We don't have time for just a good vision
- If it's yours, you are responsible for it. When it's God's vision you can lean in. God will come up with the strategy, the plan, the captial etc.

## **2. Let the Holy Spirit be your advantage**

### **3. How do you find a God Vision?**

- Ask Him what's on His heart, how are you doing?
- What matters to you right now?
- He doesn't give you goals and tasks, He tells us what He sees and how He sees
- What's not in the world or lacking? Begin to see what needs to be in the world.

### **4.How do you sustain?**

- Stewardship: Outwork Everyonce
- Strategy is not our dependence but our diligence
- Faith is the currency of Heaven
- Honor is the platform in which faith is exchanged
- The economic engine is stewardship.

## **5. A vision from God for your life is not an invitation to be something great. The invitation is to know Him.**
